

Sikkikita Song Lyrics

Aey sikkikita sikkikita
Vandhu maattuthey meenudhaa valaiyooda
Hey sottu sotta sottu sotta
Vandhu love un paayuthey alaiyaaga

Kodi kanavulla avala rasichaen
Enna kandukkala appothaan
Naeril nikkura sirich paeseura
Close to okay than

Unakkum enakkundhaan
Poruththam joru

Motha ulgaumum
Rasikkum paaru
Nooru thaandanum
Love uh score uh kaelu

Oththukkadi oththukkadi
Konjam love pannalaandi
Enna nee

Paaaththukkadi paaaththukkadi
Unakku nizhalaa iruppaendi

Nee paaaththukkadi oththukkadi
Enakku needhaan jodi
Adi moththamaa moththamma moththamma
Ini semmayaa vaazhalaam vaayaendi

Aey thalli thalli ninna paakkuriye
Mella sirikkiriye enna mayakkuriye
Aey sattaiyila poovaa pookkuriye
Enna pudichcha viththakkaari

Kannu muzhi rendil izhukkuriye
Nenja kadaththuriye adi asaththuriue
Aey neththikkulla kedanthu kuthikkiriye
Enna adichcha puyale vaadi
