

Araj suno..araj suno..  
Araj suno..araj suno..  
Chayan adhikari  
Here we are again together  
Bharatlyrics.com  
Across the shore just you and me  
Staring each other in the eye

Your'e quiet but your restless  
Uncertain but your calm  
Beckoning me into your arms

I lose myself in your waves  
And find another way back again  
I surrender to your charm

Here we are again together  
Across the shore just you and me  
Watching over silently  
Watching over the silent sea  
Rakho mori laaj mo re daata  
Kaun bigaad kare jag mein  
Tero naam.
