Simat ke baho mein
Phoolo ka aasma aaye
Dua aduri rahe
Koi mehrba aaye
Dua aduri rahe
Koi mehrba aaye
Simat ke baho mein
Phoolo ka aasma aaye

Sunayi dil ki hikayat
Ke shama jalti hain
Tumahri aankho mein
Aahat hamari chalti hain
Hame karib se dekho
Hame karib se dekho
Kho gaye hain ham
Badan ki chahat lahero
Mein so gaye hain hum
Hamara dil ho ke
Dil ki imarat ho
Hamara dil ho ke
Dil ki imarat ho
Kuch aas pas hamare
Lahu mein shamil ho
Khuda saman ho khuda
Khuda khuda saman ho
Phir bhi khuda se kabil ho

Bano jo sari zamee tumhari hain
Hamare dil ki abhi
Tak jagah ye khali hain
Hamare dil ki abhi
Tak jagah ye khali hain
Dua aduri rahe dua aduri rahe
Koi mehrba aaye
Simat ke baho mein
Phoolo ka aasma aaye.
