

O chulbuli hai, chulbuli hai
Nakchadi hai, manchali hai
Palak jhapakte falak chura le apni simran

J...jaani anjaani
Thodi si deewani
Deewana sabko bana de apni simran

Ho...suljha ke hi khud hi ye badhaye
Apne dil aur dimaag ki uljhan

Oye oye oye simran
Alhad si simran
O na jaane tu chali re kahaan

Oye oye oye simran
Udd udd udd simran
O na jaane tu chali re kahaan aa aa...

O khwab naino mein kayi saare, saare, saare
Udte phire banjaare
Naino ki khidki se jhaanke bechare matmaare
Khwabon se bhara mann mann

Oye oye oye simran
Alhad si simran
O na jaane tu chali re kahaan

Oye oye oye simran
Udd udd udi simran
O na jaane tu chali re kahaan

Aye simran!

Aye...

Tu thodi zyada sab thode kam hain
Pyara sa tu hai khatra ae jaan meri
Qisse adhure jebein bhi khaali

Phir bhi bada hai sapna haan

Chumbak jaisi muskaane
Honthon pe tu hai sajaaye
Haan! Ye badi badi akhiyon se
Tu dekhe jisko bhi ruka de dhadkan

Oye oye oye simran
Alhad si simran
O na jaane tu chali re kahaan

Oye oye oye simran
Udd udd udi simran
O na jaane tu chali re kahaan

Aye simran!

Aye...
