

Simati si sharamaai si
Kis duniya se tum aai ho
Simati si sharamaai si
Kis duniya se tum aai ho
Kaise jahaan me samayega
Itanaa husn jo laai ho
Simati si sharamaai si
Kis duniya se tum aai ho

Hiraa nazar chaandi badan
Resham hanshi mukhda chaman
Kagaal hai saare hasi bas
Ek tumhi rakhati ho dhan
Lutane ka dar hai ghabaraai ho
Lutane ka dar hai ghabaraai ho
Simati si sharamaai si
Kis duniya se tum aai ho

Jab tak tumhe dekhaa nahi

Ye dil kabhi dhadaka nahi
Aaye gaye kitane sanam
Maine magar pujaa nahi
Tum dil ki pahali agadaai ho
Tum dil ki pahali agadaai ho
Simati si sharamaai si
Kis duniya se tum aai ho

Aankhe mili wada huaa kuchh
Kah diyaa kuchh sun liyaa
Thahare kahaan betaab
Dil kaise mile apanaa pataa
Zulfo ki badali jab chhaai ho
Zulfo ki badali jab chhaai ho
Simati si sharamaai si
Kis duniya se tum aai ho
Kaise jahaan me samayega
Itanaa husn jo laai ho
Simati si sharamaai si
Kis duniya se tum aai ho.
