

Tu hai sindhu maa
Yunhi behti rehna
Dukh jo ho humko toh
Tujhse hi toh kehna hai sun maa

Sunle ye pukaar tu bhi sunle
Tere mann ke nagar mein baja hai
Ankokha da na nan...da na nan...danka

Tu tere liye me hai
Mere liye tu haan
Sang rahe hum dono

Sangini mera tan bhi
Mann bhi, dhan bhi, jeevan bhi
Tere liye bas tere liye
Meri dharti mera gagan tere liye hai o...

Tu hai mera ye sansaar saara
Main aur mera pyar saara
Tere hi liye hai

Tu hai, hai jag mein hai rang jaise
Rut mein hai tarang jaise
Tu hai toh, tu hai toh...

Gagan gagan lehar lehar
Bahe ye chandni
O.. Dhara pe jaagi jyoti hai teri
Ho nayan nayan ghuli hui hai kaamna koi
Nahi nahi koi tujhse hai hi nahi

Tu hai mera ye sansaar saara
Main aur mera pyar saara
Tere hi liye hai

Chalte chalte kisi dagar mein
Jaise achanak modh aata hai
Yun hi koi ek hi pal mein
Sab kuch piche chhod aata hai

Chan kanjkara mera mann banjara tu mere
Prem bhari dhun mere mann ki jo sun
Jhoome re

Paas aake bhi kyun moun hai tu
Ye toh keh de meri kaun hai tu

Bolte hai nayan moun hoon main
Apne naino se sun kaun hoon main

Tu hai mera ye sansaar sara
Main aur mera pyar sara
Tere hi liye hai

Tu hai mera ye sansaar sara
Main aur mera pyar sara
