

Sing sing sing
Chatur singh coming
Swing that thing
The drum beats drumming
Ke aa gaya hai king
Sitaar strings humming
Naye gaana meethe shana
Dil deewana kinda guess so
Wam bumm bumm
Baap of clevers
Slam dumm dumm
Hamesha and forever
Pump up the jam
Never say never
So i sing you sing
We all sing chatur singh
Sing sing doing
The same thing
He is the king
With the zing thing
Not a puppet
On a swing thing

You better beware
Jo uss se lega panga
Don't even dare
Toh kar dega danga
You all beware
