

Aayi thhi raat josh-e-tamanna liye huye  
Jaati hai ab luti huyi ee ee  
Duniya liye huye

Sitaaron ki mehfil saji tum na aaye  
Sitaaron ki mehfil saji  
Tum na aaye  
Saji tum na aaye  
Tumhen hum ne aawaaz di sajna aa aa  
Tumhen hum ne aawaaz di tum na aaye  
Haaye tum na aaye  
Haaye tum na aaye

Ho o o o o o o  
Bichhadne ko yeh raat ka kaarwaan hai  
Haaye kaarwaan hai  
Hua chaand be-noor  
Chup aasmaan hai  
Chup aasmaan hai  
Chali rooth kar chaandni

Tum na aaye  
Haaye tum na aaye  
Sitaaron ki mehfil saji  
Tum na aaye saji tum na aaye

Ho o o o o o o  
Abhi jaagte hain umeedon ke taare  
Umeedon ke taare  
Chale aao pyaare muhabbat pukaare  
Muhabbat pukaare  
Bahaaron ko neend aa gayi tum na aaye  
Haaye tum na aaye  
Haaye tum na aaye

Chale aao pyaare muhabbat pukaare  
Chale aao pyaare muhabbat pukaare.
