

Sitaron pe rakhna hai humko kadam
Thak jayenge raste rukenge na hum
Udte rahe unchi udan
Jab tak hai jaan baki
Chhu liye badal to kya
Hai abhi aasma baki
Sitaron pe rakhna hai humko kadam
Thak jayenge raste rukenge na hum
Udte rahe unchi udan
Jab tak hai jaan baki
Chhu liye badal to kya
Hai abhi aasma baki

Patjhad ke mausam badal jayenge
Hum zamane se aage nikal jayenge
Har pal jiyenge iss andaz se
Ke lakho mein ek hum nazar aayenge
Patjhad ke mausam badal jayenge
Hum zamane se aage nikal jayenge
Har pal jiyenge iss andaz se
Ke lakho mein ek hum nazar aayenge
He udte rahe unchi udan
Jab tak hai jaan baki
Chhu liye badal to kya
Hai abhi aasma baki

Saba sheriya sheriya
Saba sheriya
Ho chakde fatte duniya te chha ja
Hoye cheti cheti aana mere yar
Koi hor nahi tere barga
Tu duniya te nyara sheriya
Shaba sheriya

Mana hai raaho mein muskil badi
Magar samne hi hai manzil khadi
Koi khwab aankhon ka jo tod de
Hum aane hi na denge aisi gadi
Mana hai raaho mein muskil badi
Magar samne hi hai manzil khadi

Koi khwab aankhon ka jo tod de
Hum aane hi na denge aisi gadi
He udte rahe unchi udan
Jab tak hai jaan baki
Chhu liye badal to kya
Hai abhi aasma baki
Sitaron pe rakhna hai humko kadam
Thak jayenge raste rukenge na hum
Udte rahe unchi udan
Jab tak hai jaan baki
Chhu liye badal to kya
