

Siththarala Sithravathi Song Lyrics

Siththarala sithravathi
Unnapaatuna poye mathi haai haai
Supulo paccha jenda eththi
Nannu jesinaave chatrapathi

Ninnu kori putttesthi
Puttagaane ottesthi
Puvvulo chuttesi
Nannu nenu neeku icchesthi

Chethilona cheyesthi
Chempameena chitikesthi
Inkenti late antu
Inti peru kuda marchesthi

Naa rangula bangari seetha chilakave
Nannu nee chukkala rekkalatho chuttumudithive
Naa kotaku dorasanai kattu badithive
Chitti naa gundeku nee muddhula bottu pedithive

Arererey pilla nee andham adhire navala
Roju o koncham chadhivey kathalaa
Pakkannuvvunte pagale vennela
Preme marchindhaa kavilaa ninnilaa

Nee peru pettukuni
Andhaala thoofaanuni
Munchetthi vellamani
Daily rappisthaa

Kondantha nee premani
Ye chota dhaachalani
Prpancha banku lanni
Locker limmani adigesthaa

Poddhupodupe nuvvantu
Niddharantu raadhantu
Konni kotlu kannale
Nee kalale

Deevi laaga nennunte
Asthamaanam naa chuttu
Aa vaipu ee vaipu
