Hum uske pujari hain jiski
Puja ye charo dham karein

Hum uske pujari hain jiski
Puja ye charo dham karein

Kya chinta hai hum bhakton ko
Jab chinta humari ram karein ram kare

He ram siya he ram siya
Lo tek diya ye maath tumhare charno mein
Rehna hai humein he raghunandan
Din raat tumhare charno mein

Humne toh thikana dhundh liya
Raghunath tumhare charno mein
Raghunath tumhare charno mein

Chhod ke sara jagat tumhi ko
Hai avtari dhundhenge
Chhod ke sara jagat tumhi ko
Hai avtari dhundhenge

Tod ke saare moti hum toh
Chhaviyan tumhari dhundhenge
Chhaviyan tumhari dhundhenge

Rehne do humein bajrang bali ke
Saath tumhare charno mein
Rehna hai humein he raghunandan
Din raat tumhare charno mein

Humne toh thikana dhundh liya
Raghunath tumhare charno mein
Raghunath tumhare charno mein

Koi jaadu hai in paanv mein
Santap ye sab har lete hain
Ye charan kamal se komal hai

Par sharan shila si lete hain

Ye paanv chhod ke narayan
Hum aur kahin jayenge nahi
Jo humko mila pad pankaj mein
Kahin aur woh sukh payenge nahi
Kahin aur woh sukh payenge nahi

Vaikunth nahi woh baat kahan
Jo baat tumhare charno mein

Rehna hai humein he raghunandan
Din raat tumhare charno mein
Humne toh thikana dhundh liya
Raghunath tumhare charno mein
Raghunath tumhare charno mein
