Aa squat kare lage cold fever
Insta shout out kare john cena

Hat mera na bikau bhai kaise diya
Log puch deya from the crowd tape bombiya
Cuz i might see and they need to chill
Chill, pill, kill, dil

Cuz fear is the name of the game
Tera messi hoya jadhho jadhho tune lita aim
Jo bhi tune bola kara ga ni main
Tainu name mere naal aisi
Judke nahi dena tainu fame

Diliaai sare nach de aa nachde aa
Ghat pith piche muh te hass de aa
Rehna main sareya te thoda bach ke
Kehnda main kehnda main hass hass ke

Up above i am so high
Like a diamond in the sky
Ya i own this shit
Ya i own this shit

Up above i am so high
All these haters never smile
Coz i own this shit
Coz i own this shit

Everyday is a hustle lika a dream in the cage
Stupin everyday maen to the phase
Rumours everywhere talking about me in my place
Like a mother fit ha ha kim in the race

Sour sun da nahi kise di main darda ni main kise toh

F**k these bitches phir chaahe jinna bitchy ho
Pushing myself looking good in the video
Do it myself na tum meri bitty lo
Jinna bhi main busy hu never quit gym
Maine daal diya soul like
I m rocking to pak every video
I am nothing without them
Diss dita is city ko

Like a lamp with jinn wala house in the city
Mere aaka jo hukam
I am king sath khadi punjab di raani
You win asim
Squat sun ke ye gaana nachde aa
Baaki saanp hain bhatere saare dasde aa
Rehna main sareya toh thoda bachke
Khoti gallan ch nahi rehna fas ke

Up above i am so high
Like a diamond in the sky
Ya i own this shit
Ya i own this shit
