Ho gaddi utte mate
Yaar tight dubble aish
Ho gaddi utte mate
Yaar tight dubble aish

Ho lai geya jo lai geya
Jo beh geya jo beh geya

Chadhti jawaniyan nazare lain nu
Lai geya jo lai geya
Jo reh geya jo reh geya
Lai geya jo lai geya
Jo reh geya jo reh geya

Ho full rehn tankiyan
Te dabbiyan te khate
Bai hora'an naal behna
Har koi aakhe

Laal pari lehra'an maare
Jado datt khulle
Haye sadde naal bitaye
Teinu din kitthe bhulne

Rehn na darrang rooma vich tangiyan
Dassan brand hikkan vichho langhiyan
Hove asla vi surr jado jaan hath jud
Asla vi surr jado jaan hath jud

Haye mitra de picche vair
Peh geya te peh geya

Chadhti jawaniyan nazare lain nu
Lai geya jo lai geya
Jo reh geya jo reh geya
Lai geya jo lai geya
Jo reh geya jo reh geya

Ho sohne kehn lagge khich do pahada nu
