BHARAT
lyrics

Subah ki ronakein
Siyahiyan shaam ki
Aayatein padh rahi
Sab tere naam ki

Jaagun saari raat main yaadon mein tumhari
Jannat dikhe mujhe aankhon mein tumhari
Tera nasha aisa chadha mera fitoor tu

So much in love baby
So much in love baby
So much in love with you

So much in love with you

So much in love baby
So much in love baby
So much in love with you

Tu jaan kar bhi kyun bekhobar hai

Jab zindagi ye har ek pal mukhtasar hai
Hoya sabar hai, tera asar hai
Meri duaon mein bas tera hi zikar hai

Subah shaam bas ik tera naam
Dehleez pe dil ki likha karun

Wo..jagun sari raat main yaadon mein tumhari
Jannat dikhe mujhe aankhon mein tumhari
Tera nasha aisa chadha mera fitoor tu

So much in love baby
So much in love baby
So much in love with you

So much in love with you

So much in love baby
So much in love baby
So much in love with you

So much in love baby
So much in love baby
So much in love with you

So in love with you

So much in love baby
So much in love baby
So much in love with you..
