

Ek jhatke mein karodon chhapne ka khel
Qismat hi qismat hai,baqi sab hai fail
Chhakka kisi ne mara paisa kisi ne hara
Bol khelta hai kya..soch mat dobara

Chalo get your money make a run for it
Lets go its a jhol when the passa flips
Chalo get your money make a run for it
Its a jhol when the passa flips

Iske chakkar mein phanse jo woh anadi hai
Chakkar mein jo phaanse,woh khiladi hai
Mehnat karenge gyarah, tera hai maal sara
Bol khelta hai kya..arre soch mat dobara

Chalo get your money make a run for it
Lets go its a jhol when the passa flips
Chalo get your money make a run for it
Its a jhol when the passa flips

Soch kaali, dhan kaala,
Hai tere paas chal laga saara
Jo karna hai you got to do
Whatever crap your into
What is black you'd make it white
Bharatlyrics.com
Whats false you'd make it true
Now kabza lo paisa, be it aisa ya waisa
Score a hundred on
Your run from 99, its a big one
Do it if u want to put
Ur mind and get right on it
Make it yours the money
The moolah get it mother

Chance hai yahi, tere saamne
Tu dabochle, heyy!!
Kya galat sahi chhod bhi zara
Apni soch le, heyy!!
Makkhi jaisi mandrati hai sar pe aafat reyy!

Palley se bandh le tu taqdir ka ishara
Himmat zara juta le, soch mat dobara

Chalo get your money make a run for it
Lets go its a jhol when the passa flips
Chalo get your money make a run for it
Its a jhol when the passa flips

Aar dhoka hai yahan pe
Paar khatra hai
Darta kyon daldal se
Jab khud hi utra hai
Jeeney ka ek hi to
Rasta bacha hai yara
Jaldi se nap le tu, soch mat dobara

Chalo get your money make a run for it
Lets go its a jhol when the passa flips
Chalo get your money make a run for it
Its a jhol when the passa flips
Life ho set yara..do'nt think twice.
