

Socha nahin tha taqdeer yahan laayegi  
Manzil pe aatey hi jaan chali jaayegi  
Yeh to sikander ne bhi nahin tha socha  
Aane se pehle hi khushi chali jaayegi  
Hummne sochta tha kya aur kya se kya hua  
Ja rahe aaj yeh zamane ko bata ke  
Yeh kya ho gaya re rama re  
Yeh kya ho gaya re mowla re  
Yeh kya ho gaya re rama re  
Yeh kya ho gaya re mowla re

Tera kasoor tha ya mera kasoor tha  
Tera garoor tha ya mera garoor tha  
Rabba main itna bura nahin hota  
Tu agar bewafa nahin to  
Itna bata mujhe kya mila tujhe  
Gham ki kaante meri raahon mein becha
