

Kya soch rahe ho tum
Nahi kuchh nahi, kuchh nahi

Sochta hoon ke tumhein maine dekha hai
Yaad karta hu magar yaad nahi aata
Mere hamraaz mujhe tumne wahi dekha hai
Dil jaha hose mein
Rah kar bhi bahk jata hai
Jane kya baat hai
Hum jab mila karte hai
Dil mein chupake se
Koi chot ubhar aati hai
Dil se dil milte hai
Afsane bana karte hai
Aur takdir mohabbat ki sanwar jati hai

Apne chehere pe mere
Khawab paresha ki tarah
Aaj in reshami julafo ko machal jane do
Dil mein uthte hue jasba ke tufa ki tarah

Aaj har khawab hakikat mein badal jane do

Wo jo aihahas halka sa
Kya tum gair nahi
Aaj wo ek yaki banta nazar aata hai
Kho diya jo kabhi yaad ki surat mein kahi
Aaj wo pyaar mujhe milta nazar aata hai
Aaj wo pyaar mujhe milta nazar aata hai.
