

Sohni Lagdi 2 Song Lyrics

Yeah yeah
You know who
Birmingham london connection take too
Sukshinder shinda
Hmc
Soni lagdi part 2
Round 2
Showdown
We back now
It's gonna go down
Hmc and its shutdown
Shinda sound profound
Hypehype in the place
Straight up no gimmick
Yo come and get down
Get wid it, bad b she
Down with my sound
Get wid it
Can't turn back now
Cos i'm to deep in it

BHARAT
lyrics

Jaan meri de akh de mare
Ashiq kinne sarre
Paina kisse to mul nahi
Jehda akh ch soorma narre
Kardi kill ni kudiye dil
Ni boora kardi na kudiye chill ni
Mehnga paije na kitte shinda
Vekhi gad da kive kill
Kehnda ho jo passé passé roop
Tera bijlee wangra jappe ni
Tu paundi phire patake
Munde dil sutt de ne ape
Mauka badde chiran da vekha
Dil di gal kehni eh aake
Je hath fad ke nache mera ni
Main khol deya tera jhake

Sareyan to sareyan to
Ho sareyan to sohni lagdi
Teri ek ek cheej mutiyare
Ni sareyan to sohni lagdi
Teri ek ek cheej mutiyare
Ni sareyan to sohni lagdi

Kangana tera sareyan
To sohna lagge kangna
Kangana tera sareyan
To sohna lagge kangna
Ho kudiyan ney paiyeeyan
Wanga choodiyan
Light colour hariyan tey ghoodiyan
Wakh sab to khanka da kangna
Kangana tera sareyan
To sohna lagge kangna
Ho kangana tera sohniye
Sunahri billo kangna

Brown eyes
Swagger 10
Mesmerized
Got me homing in
Big in the complex
Straight bossing
Estilo on point
While she straight flossing
Head to toe in those gucci rags
Over the shoulder lowew bag
Champagne glass
Model stance
Standing firm
In those jimmy shoos
Gangster lean
Bad b and the crew
So so slick
So so smooth
We back again
Doing best what we do

BHARAT
lyrics

H back with shinda
Rolling through
Hypehype in the place
Straight up no gimmick
Yo come and get down
Get wid it
Bad b she
Down with my sound
Get wid it
Can't turn back now
Cos i'm to deep in it

Lethal combination moti
Akh tey tikha soorma
Kithon sikheya tu sada
Matak matak ke turna
Toofan jeha liunda
Teri gutt nu ghum key mudna
Birmingham to bombay
Tak ni charche ho tere
Tere wargi hor ni assi
Takke mukh bathere
Nazar teri da teer
Mere geya kalja cheer
Gore kehn juliet
Tenu kehn punjabi heer
Nitt mundeyan di dhanni
De wich charche chidd de tere
Gutt to fadd key kol bhitawan
Dil karda eh mera
Tenu dil di kehni eh
Shinde ney dil di kehni eh shinde ney
Aaj wadda karke jera

Sareyan to sareyan to
Sareyan to sohni lagdi
Gore rang tey suit mutiare
Ni sareyan to sohni lagdi
Gore rang tey til mutiare
Ni sareyan to sohni lagdi

Ho tare tare tare
Ni husna di malika de malika de
Phull raahan ch vichonde sarre
Ni chan jeha mukh naar da mukh naar da
Jihdi akhiyan ch chamkde tare
Ni chan jeha mukh naar da mukh naar da

Billo hundi eh jawani din chaar ehte
Duniya te firde husan hazar
Par teri gal hor tere utte
Rabb ney laya extra jor
Teri wargi na hor husna di pari
Roop jive att kad di nadi ashqan de
Watt aaj tak mainu koi ayee na pasand
Par tere utte rakha mein v akh
Ki root tere dil da dasde ek wari bol haske
Lutiya hosh bekabu gal baat wasde askhe
Ohnu patta oh rukaan sirre di akhan billiyan
Na lawe shade kade v laye kinne piche munde tu
Manja ajje v julfa nu rakhdi eh khol khol key
Mehak khilare jave dilan nu thol ke
Tenu dasangi mein dilwali gal
Das likhke mein dedi tuve bol ke
Es gal da shaq ni
