

Sach bahut hi ajeeb aur garib hota hai yeh sach aksar
 Asaamaanya adbhud kalpana se bhi zyaada vichitra hota hai yeh sach aksar
 Woh sach jo hume naya lagta hai anjana sa ek jhalak dikhake chaunka deta hai jo
 hume
 Use ajooba maan ne lagte hai hum aksar
 Sach woh bhi jo alaukik hai hamari samaj ke baahar aur usi ka darr lagta hai hume
 aksar
 Aur sach ka nakab pehne hue kuch na-mumkin kisse
 Ahistha ahishta wakiye sach ban jaate hai aksar
 Aisa hi ek na-mumkin kissa asamaan adbudh akalp andekha anjaana aparichit
 kissa
 Sach hone ja raha hai ek khatarnak saazish
 A dangerous game is about to begin.

Aankhen aankhen aankhen aankhen
 Ajooba hi ajooba hai khel mein
 Masti hi masti hai khel mein
 Aankhen aankhen
 Darr darr ke jeene mein kya maza
 Jeete ga jis dil mein hai ada
 Aankhen aankhen
 Jis dil mein hai josh humnasheen
 Usi ke liye mushkile bhi haseen
 Jis dil mein hai josh humnasheen
 Usi ke liye mushkile bhi haseen
 Masti hi masti hai hai junoon

Nasron ke hatiyar bekaar hai
 Kismat badal ne ke aasaar hai
 Nasron ke hatiyar bekaar hai
 Kismat badal ne ke aasaar hai
 Ishaara hai ishaara hai maut ka
 Aankhen aankhen
 Ajooba hi ajooba hai khel mein
