

Soni tera nakhra hayee sabto hai hatke  
Munde tainu takde ne dooro dooro hatke  
Nakhra ye tera mai haske sahunga  
Palka te tainu mai rakkha bitha ke

Red teri juti tera red hai libaas  
Beautiful lagti mujhko tu aaj  
Ab to bata de baby kya hai tera raaz  
Delhi ki ladkiyo me tu hi ik khaas  
Gore gore gaal tere gaalo pe ye makeup  
Pyaar me apne kyu hai ye breakup  
Ha ya na kar jaldi decide kar  
Dil pe mere fir se tu ride kar

Dekha tujhe jabse hayee dil me basaya  
Jaha bhi dekha maine tujhko hi paaya  
Khoya khoya sa mai rehne laga hu  
Palko ne teri mujhpe kaisa kiya jaadu

Tu sun meri baat ko khulle mere kharche  
Nakhro ke tere maine sune bade charche  
Nakhro ko tere mai haske sahu  
Jaha bhi kahegi tujhe leke chalu  
Shopping mall me tujhko le jau  
Bade bade staro se tujhko milau  
Le na tu meri baat ko majak me  
Dum rakht hai deepak pal apni baat me  
Kaano me baali tere hotho me laali  
Tujhe chadhi hai jawani tu to lgti diwani  
Teri aakho ka waar mera hua hai shikar
