

Tujhme kuch to baat hai
Tu jo dil ke paas hai

Dekha tumhe to bane tumhi zindagi
Dekha tumhe to bane tumhi zindagi

Sanam kuch tujhmein khaas hai
Aaya jo dil ko raas hai
Paaya tumhe to paayi maine har khushi

Dil tere bin lagda nai soniye

Dil tere bin lagda nai soniye
Soniye soniye
Soniye soniye

Stand by my side,
Come on come on baby
Stand by my side,
Wanna make u the light of my life,
O yeah o yeah

Jab se ye dil laga hai
Lab pe yehi dua hai
Hum tum kabhi na ho juda

Haathon mein haath leke
Tujhko sanam sang leke
Chalte rahe hum bawafa

Chala hai ye jo karwan
Thamega jaane ab kahan
Manzil hai taaron ka jahan
Dil tere bin lagda nai soniye
Dil tere bin lagda nai soniye
Soniye soniye
Soniye soniye

Hum dono ki chahat ka
Ehsaas ye reshama sa
Pagal na kar de ye samaa

Armaan machal jaane de
Jaadu ye chal jaane de
Dhadkan ne chupke se kaha

Mile na mile phir ye pal
Kise pata kya hoga kal
Mit jaane de ye dooriyaan
Dil tere bin lagda nai soniye
Dil tere bin lagda nai soniye
Soniye soniye
Soniye soniye

Stand by my side,
Come on come on baby
Stand by my side,
Wanna make u the light of my life,
O yeah o yeah.
