

Never knew that i could
Ever feel love like this in my life
Love in the air o yea, o yea
I wanna love you more
This love feels so divine
Love in the air o yea, o yea
Never knew that i could
Ever feel love like this in my life
Love in the air o yea, o yea
I wanna love you more,
This love feels so divine
Love in the air o yea, o yea
Soniyo soniyo soniyo your mine,
Soniyo soniyo your mine
Soniyo soniyo soniyo your mine,
Soniyo soniyo your mine

Wanna feel u, touch you, love u,
Open up the dark
Our souls n love connected, o baby
Wanna feel u, touch you, love u,
Open up the dark
Our souls n love connected,
O baby i want it more
Soniyo soniyo soniyo your mine,
Soniyo soniyo your mine
Soniyo soniyo soniyo your mine,
Soniyo soniyo your mine

Never knew that i could
Ever feel love like this in my life
Love in the air o yea, o yea
I wanna love you more,
This love feels so divine
Love in the air o yea, o yea
Never knew that i could

This love feels so divine
Love in the air o yea, o yea
I wanna love you more,
This love feels so divine
Love in the air o yea, o yea
Soniyo soniyo soniyo your mine,

The magic when in your arms,
Makes me so secure
The care that makes it charming, o baby
The magic when in your arms,
Makes me so secure
The care that makes it charming
O baby i want it more
Soniyo soniyo soniyo your mine,
Soniyo soniyo your mine
