

Sooni sooni raahein
Par khuli khuli baahein hai sanam
Itane andhere mein bhi
Thode thode ujaale liye hum
Teri chaahatein hai kayaamat,
Meri hasarate hai salaamat
Jiye jaaye hum leke
Tera naam o re sanam

Pa hi lenge yaara tujhe
Ho agar chaahato me dum
Teri meri duri ko toh hona hi hai,
Hona hi hai kam
Meri har duwa mein hai tu hi tu
Har saans mein hai teri aarzoo
Jiye jaaye hum leke
Tera naam o re sanam

Jo ho deewane woh kahan mane,
Chaahe woh chaahe sara jahan
Mile na mile woh,
Manzile hai dekho hai
Chalana jaruri yahan
Jaan-e-jaan tumase meri daastan
Jaana meri jaana
Tumse hi hai mera jahan

Sooni sooni raahein
Par khuli khuli baahein hai sanam
Itane andhere mein bhi
Thode thode ujaale liye hum
