

Sottangalla Song Lyrics

Sottangalla solatura parva
Ammi vechu araikuthamma
Thattan pola methakura manasu
Kuttikaranam adikuthamma

Cholakattu yana pola
Nenjukulla payuriye
Seeni mela eeya neeyum
Echi vaika meyuriyeee

Pokka neeyum
Nellaa thoothuriyee yee yee
Kalli pala
Thena maathuriyee yee yee

Vekka vanthaa neethan eeram
Veyilukku neeraaharam
Kummiruttil kodi koil
Deepam neethanee

Alli thinga neethan saadham
Angayamman saami padham
Kappi kallu dhagam theekum
Megam neethanee

Sutta mannu on kai alla
Sokka thangam aaneenee
Kittipulla neeyum thatta
Aeroplane ahh pooneenee

Alli unna naa edukka
Athaniyum on vaasam
Kakkathula aahaasam

Ottu thinna ooram aadu
Othaasaikku eethu eedu
Thottu enna neeyum
Thookka kalam maaraathu

Sontham unna sertha veedu
Sulli vacha maina koodu
Alli alli ootum thaaya
Kadhal yenthathoo
