Oh yaara de aasre lahate gaddi
Haan tinney hi vintage saare sirre di zareedi
Life langhi lineage jandi bugg di bugatti
Dinne kade raati mureed aa pench da
Baap kari vairi shaati

Chadd rehan de shakeena aida lagde ni seene
Hikka gundiyan begane maar langh jande thappe
Munde paapi aa purane
Jado na plan kichi maara fire te lavele
Gudde fatt ke kachichi

Oh muhre 5 ne je panja ne 50 laa leya te main vi fer jatt da putt ni
