

Stay Away Lyrics

Early in the morning ho ya late at night
Kari maine mehnat maine kari hai grind
Chhoda mera saath jab bura tha mera time
Ban rahe mere homies now they hittin my line

Main bolun ooh-aah mere paas na tu aa
Tu ja mere paas na tu aa
Ooh-aah mere paas na tu aa
Tu ja mere paas na tu aa

Dekhe maine chhaaye baadal sapno pe
Toota mera bharosa mere hi apno pe
Mere paas na hai time inke nakhro ke
Chala main akela main pada nahi inke chakkaron mein

Bandi chhodi mujhe bole
Tere paas na hai bike na hai gaadi na koi transport
Ab main baitha ten toes in a m-sport
Behanc**d ye bag mera louis not a chain sport
Middle fingers to these haters when I see em
Yakeen nahi hota that I'm sitting in a bm

Mujhe aate bad dreams am to the pm
Now the only bad sapna is that I have in my dms

Mere aaj na hain zyada log saath
Kyunki mere struggle mein na zyada log saath
Mujhe karte nahi the kabhi pyaar vo khaas
Vohi log banna chahte mere yaar dost aaj par

Early in the morning ho ya late at night
Kari maine mehnat maine kari hai grind
Chhoda mera saath jab bura tha mera time
Ban rahe mere homies now they hittin my line

Main bolun ooh-aah mere paas na tu aa
Tu ja mere paas na tu aa
Ooh-aah mere paas na tu aa

Tu ja mere paas na tu aa

Roz subah ho ya roz raat
 Main hoon on the grind mujhe yaad jo saath
 Mujhe bolte the bhool mat tu aukaat
 Gaano se na kabhi tujhe mile rozgaar
 Please tell me some that I don't know
 Jaise ye na dekhna chahte mujhe on the ropes
 Want me to leave but I won't go
 Kyunki dekhna chahte mujhe log dead broke aur

Industry ko main na pasand zyada
 Kyunki karun main wahi jo chahta
 Bolte the ye style na samajh aata
 Aaj milte ye gaate alag gaatha
 Industry ko main na pasand zyada
 Kyunki karun main wahi jo chahta
 Bolte the ye style na samajh aata
 Aaj milte ye gaate alag gaatha

Early in the morning ho ya late at night
 Kari maine mehnat maine kari hai grind
 Chhoda mera saath jab bura tha mera time
 Ban rahe mere homies now they hittin my line

Main bolun ooh-aah mere paas na tu aa
 Tu ja mere paas na tu aa
 Ooh-aah mere paas na tu aa
 Tu ja mere paas na tu aa
 Ooh-aah mere paas na tu aa
 Tu ja mere paas na tu aa
 Ooh-aah mere paas na tu aa
 Tu ja mere paas na tu aa

Ooh-aah mere paas na tu aa
 Tu ja mere paas na tu aa
 Ooh-aah mere paas na tu aa
 Tu ja mere
 Ooh bharg cooked another one
