

Roku mai toh ruk jaye duniya  
Jab chahu ghuma du mai duniya  
Ja rey ja o deewane  
Bate teri naa mane  
Hey ja rey ja o deewane  
Bate teri naa mane  
Dekho meri aankho me  
Aur jab me bolu  
Move stop move stop

Chutki bajte hi rukde tufan  
Ho subah ho jaye par  
Andhera ho aasman  
Hari mai tujhse hari  
Teri hai duniya sari  
Hari mai tujhse hari  
Teri hai duniya sari  
Ho kadmo me tere  
Rakhdu mai sara yeh jahan  
Move stop move stop  
Move stop move stop

Dekhe hajaro par  
Koyi tujhsa nahi  
Han jane jan teraa  
Bhi mukabla toh nahi  
Mutthi me duniya  
Liye jine do uskeliye  
Mutthi me duniya  
Liye jine do uskeliye  
Ho dekhe jo hume  
Thamjaye jamjaye wahin
