

Subahi Pokirodey Song Lyrics

Pokirode night'u ki night
Mike tyson avuthaadantaa
Kottabothe moothi meeda
Patti chevule korikaadanta

Yo dandanakaa
Yo aaganikaa
Yo yuddhaminkaa
Yo veera shoora nene lera

Pokirode night'u ki night
Mike tyson avuthaadantaa
Kottabothe moothi meeda
Patti chevule korikaadanta

Saati naaku evvadanta
Teacher ye naa pakkananta
Cheerakattu odunanta
Panchenitta etthi katta

Everybody feeling go around with the power
Holds on everybody take
Power when we give it to you, matti kusthi

Everybody feeling go around
With the power take here we go

Everybody when we fight with you

Hold them down, take them down
All i know is... lock them down
Hold them down, take them down

Kalisunde naa kalale
Mari karigipoyene
Nanu tharime raakshasele
Kusthi nanne aadamandhe

Hey, kattukunna paapaaniki
Ne matti kusthi aaduthunna
Pichhi kopam neemeedhele
Ottu vinave, pattu vidave

Pokirode night'u ki night

Mike tyson avuthaadanta
Kottabothe moothi meeda
Patti chevule korikaadanta

Saati naaku evvadanta
Teacher ye naa pakkananta
Cheerakattu odunanta
Panchenitta etthi katta

Yo dandanakaa
Yo aaganikaa
Yo yuddhaminkaa
Yo veera shoora nene lera.
