Aae sodalamaadappaa inge  
Manusan yaarappaa  
Kelvi oru kelvi  
Pala naalaa irukke

Aae ethiri yaarappaa nge  
Uravu yaarappaa  
Saami ada saami  
Perum paada irukke

Neethi katha kettu  
Valarnththu ethukku  
Pallikalil paadam  
Nooru ethukku

Panaththil ulage  
Suzhalum poluthu  
Karunai ethukku
