

Jaan jaan makeup jala ke muhre aauni ae
Chote chote top naal unchi jean pauni ae
Roz roz change kardi aa billo look tu
Nikki ji dress paake ki vikhauna chaundi ae
Ethe na je aaun kisse hor nu vakhao
Ethe na je aaun kisse hor nu vakhao
Jatt att di pasand rakh de
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de
Ethe no chance baby ethe no chance
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de.....

Bhai bole sidhi saadi suit wali chahiye
Ho gaal pe dimple thodi simple cute honi chahiye
Par apni koi demand nahi hai
Ladki hai koi brand nahi hai
Jiski shraddha waise bheje
Phasne ka mera plan nahi hai
Pyar vyar ke chakkar se main rehta koso door hu
Par ladka hoon main karun thoda sa majboor hu
Tension hai batheri mujhe girlfriend nahi chahiye
Ek se kiska dil bharta variety honi chahiye
Ethe no chance baby ethe no chance
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de.....

Xeena

Gali mein gedi maarta hai
Har ladki ko taadta hai
Baat agar ho pyaar ki
Toh sala palla jhaad ta hai
Par main hoon firing

Beauty no expiry
Aankh kholke padh le mujhko
Galib ki hoon shayari
Bharatlyrics.com
Love ki lollipop hoon aisi
Lattoo tu ho jayega
Aaj suit pe atka hai
Kal dress leke aayega
Dil se hoon bholi bhali
Mujhko kar le tu done
Umar meri jab challis hogi
Lagungi phir bhi twenty one
Ethe no chance baby ethe no chance
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de.....

Jatt poora att na katt kise kol nu
Tere jaiye aish te kar diya follow
Waise taa pyaar den noore de hazaar
Par apni o naar jehdi kar di aa
Ethe na je aaun kisse hor nu vakhao
Ethe na je aaun kisse hor nu vakhao
Jatt att di pasand rakh de
Ethe no chance baby ethe no chance
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de
Ethe no chance baby ethe no chance
Ethe no chance baby ethe no chance
O munda suitan vali queen labh de
O munda suitan vali queen labh de
O munda suitan vali queen labh de..
