

Sultana mera naam hai
Yaha har chehra badnam hai
Fir mujhpe kuy ilzam hai
Sultana mera nam hai

Uljhane hai yaha
Aa gaye tum kaha
Samjho ishara
Hamara jamana bura
Parde ki bat ko
Parde me rahna do
Aise me dil wil ki
Bate sunana bura
Sulatna sultana sultana
He sultana mera nam hai
Sultana mera naam hai

Sabke do chehre hai
Raze dil gahre hai
Pahre biche hai najar ke
Yaha se waha
Ho mahfil me har
Koi hosh me hai abhi
Manjil ka aise
Kaise milega nisha
Sultana sultana
Sultana sultana sultana
He he sultana mera naam hai
Sultana mera naam hai

Hatho me jam le
Aankho se kam le
Aise me dhokha na
Khana mere dilruba
Ho dekho dil se nikal rahi ek bar
Mauka dobara to
Aata nahi ba khuda
Sultana sultana
Sultana sultana sultana
He he sultana mera naam hai
