

Sun re sajna meri aankhein hai nam ye kya hai gham  
Tu hai saavan main bheega bheega mann  
Sun re sajna mere mann aur tann mein hai dard bhara  
Tu thaam tere haatho mein hai marham

Sun re sajna meri aankhein hai nam ye kya hai gham  
Tu hai saavan main bheega bheega mann  
Sun re sajna mere mann aur tann mein hai dard bhara  
Tu thaam tere haatho mein hai marham  
Bas yaadein teri hai jo in saanon mein basi hai  
Bas yaadein teri hai jo in saanon mein basi hai

Yun intezaar maine kiya hardar par tu jahaan

Sapne tere hai vaade mere hai  
Jaaunga na yun chhod kar o ho ho  
Sunre sajna mujhko ab aaspaas milne aa jaa  
Tere dar par main baitha hoon zindagi bhar  
Bas yaadein teri hai jo in saanson mein basi hai  
Bas yaadein teri hai jo in saanson mein basi hai

Bas yaadein teri hai jo in saanson mein basi hai  
Bas yaadein teri hai jo in saanson mein basi hai  
Bas yaadein teri hai jo in saanson mein basi hai...
