

Sun sajana sun sajana  
Ha sun sajana sun sajana  
Mujhe aaj tumhe kuchh kahna hai  
Main samajh gaya  
Jo kahna hai  
Tune mere dil me rahna hai  
Ha rahna ha

Sun sajana sun sajana  
Ha sun sajana sun sajana

Dil ki duniya khali khali  
Bolo kis din aaogi  
Dil ki duniya khali khali  
Bolo kis din aaogi  
Sath hi ye wada kar lo  
Aa ke kabhi na jaogi  
Sun goriye , sun goriye  
Sun goriye , sun goriye

Kuch aur bhi tujhse kahna hai  
Main samjh gayi jo kahna hai  
Tujhe palko ki chanv me rahna hai  
Ha rahna hai  
Sun goriye , sun goriye  
Sun goriye

Aa ne ko tyaar hu  
Jo iss baat ki kasam khayega  
Aa ne ko tyaar hu  
Jo iss baat ki kasam khayega  
Mere sivay teri duniya me  
Aur ni koyi aayega

Sun sajana sun sajana  
Sun sajana sun sajana

Kuchh aur bhi tujhse kahna hai  
Ari ab kya kahna hai...  
Ab to baja bajega  
Sahnayi bajegi, achha

Ab to baja bajega  
Sahnayi bajegi  
Mai dulha banunga  
Tu dulhaniya sajegi  
Ab to baja bajega  
Ab to baja bajega  
Sahnayi bajegi

Ban ke dulhan jab aau tere angana  
Judaayi me mujhko  
Jalana na tu sajna  
Tham liya tera hath  
Chahe din ho ya raat  
Tu hai jindagi ke sath  
Ab teri meri jodi  
Gauri khub jamegi  
Ab to baja bajega  
Ab to baja bajega  
Sahnayi bajegi

Duniya ko chhod teri duniya me aaungi  
Tune thukraya to mai sajna  
Tune thukraya to mai  
Bole kaha jaungi  
Tujhe aankho me sajaau  
Main kaleje se lagaau  
Apni baaho me julaau  
Tere aane se ghar me diwali jagegi

Ab to baja bajega  
Ab to baja bajega  
Sahnayi bajegi.
