

Sunate hai sitare raat bhar
Sunate hai sitare raat bhar
Sabko yeh afsana
Kahi pe ek sama thi
Kahi tha ek parwana
Sunate hai sitare raat bhar

Sama ke paas jo dil tha
Bhari thi aag us dil mein
Sama ke paas jo dil tha
Bhari thi aag us dil mein
Jaha jao jidhar jao
Yahi charche the mehfil mein
Lipat jayega sholo se
Yeh parwana hai deewana
Sunate hai sitare raat bhar

Zamane ne mohabbat ko
Magar majboor kar dala
Zamane ne mohabbat ko
Magar majboor kar dala
Judai ne unhe ek dusre se
Dur kar dala haye
Bahut royi sama roya
Bahut is gam mein parwana
