---

Sundaripenne  
Ninne kaanaan kothiyaayi  
Ninjal aa moham  
Melle koodum pathivaayi

Pala naalaayo parayaan aayo  
Vazhiyoram kaathu ninno  
Mizhiyaake poothuvenno  
Njaan ariyaathe oruthirunno  
Enne mayakkum ninte chiriye

Sundaripenne  
Ninne kaanaan kothiyaayi  
Ninjal aa moham  
Melle koodum pathivaayi

Madhuridham aayoru praayam  
Manasulayum thaamara nee  
Innu mathivare enthu vichaaram  
Ninne variyum hridhayamayi

Velli arayannamaay ente arikil  
Melle varumiru chirakullorazhake  
Karimashi ezhuthiya mizhiye  
Kandu karalilu mazhavillu viriye

Panimathi nee mathi  
Mozhiyile then mathi
