

Looking into those  
Angel eyes  
Searching for the love endlessly....  
Main aapse mohabbat karti hu

Suddenly i realize  
There's more to you that eyes cannot see

Sach bahut mohabbat karti hu  
Something deep inside my soul ...  
Tells me you are the one i was looking for....

Khoyi rehti hamesha bus aapke liye  
Sunder si hai balma

Sunder balma man baave  
Reee... aeeeeeee eee  
Sunder balma man baave  
Teri yali piyaki suratiya pe wari mai haari pyaarii....  
Sunder balma man bhaave re.. Aeeee  
Sunder balma man bhaave re.....

Mujhe uljhan mein dal kar kaha gaye aap

Touch you in the deepest hour..  
Twilight is the time i can see..  
Night is young we've overcome..  
Your perfume in the  
Mist sets me freeeeeeee...

Kho jaane ki aapki yeh adaa kahin meri jaan na lele  
Somewhere deep within my soul  
I know you are the one waiting for meeeee....

Main aapka intezaar karti hu  
Sunder si hai balma

Sunder balma man baave reee... aeeeeeee eee  
Aap mere hai sirf mere

Sunder balma man baave

Teri yali piyaki suratiya  
Pe wari mai haari pyaarii....  
Sunder balma man bhaave re.. Aeeee  
Sunder balma man bhaave re.....

Deep within your heart..  
That's the place i  
Know my love is gone...

Kab tak yun mujhse duur rahenge aap

Stars are shining bright..  
I know the feeling's right  
I found my love...

Kab tak sataayenge  
Girl you know my love is true...  
I'll be there for youuu

Bus ab aa bhi jao  
I'll be waiting all night long,  
Waiting just for you

Main aapka intezaar  
Karti hu, aap mere ho

Sunder si hai balma

Sunder balma man baave  
Reee...aeeee eee  
Sunder balma man baave  
Teri yali piyaki suratiya  
Pe wari mai haari pyaarii....  
Sunder balma man bhaave re.. Aeeee  
Sunder balma man bhaave re.....

Touch you in the deepest hour..  
Twilight is the time i can see..  
Bahut bechain hu main

Night is young we've overcome..

BHARAT  
lyrics

Your perfume in the  
Mist sets me freeeeee...  
Tum jahan bhi ho bus chale aao

Somewhere deep within my soul  
I know you are the one  
Waiting for meeeee....  
Sunder si hai balma  
Sunder balma...

Aasma ko dekha sitaaron  
Ki saji hai mehfil  
Udd na jaye kahin, chale aao

Sunder balma man baave reee...
