

Suniye jana kya pyar  
Mein sharmana  
Kuch hum bhi sunaye  
Kuch tum bhi kaho  
Halke halke chilman  
Ke karib aana  
Kuch hum bhi sunaye  
Kuch tum bhi kaho

Suniye jana kya pyar  
Mein sharmana  
Kuch hum bhi sunaye  
Kuch tum bhi kaho

Armaan tha hum kahte  
Jo bhi tamana hoti  
Armaan tha hum kahte  
Jo bhi tamana hoti  
Deewar ban jati hai  
Zalim teri khamosi  
Zahir mein khamosi parde  
Mein to afsana  
Halke halke chilman  
Ke karib aana  
Kuch hum bhi sunaye  
Kuch tum bhi kaho

Ek dil mila hai dekho  
Ek dil se pehle pehle  
Ek dil mila hai dekho  
Ek dil se pehle pehle  
Wo dil bahak na jaaye  
Manzil se pehle pehle  
Chahat ki manzil hai  
Dil aur nazar mil jana  
Suniye jana kya pyar  
Mein sharmana  
Kuch hum bhi sunaye  
Kuch tum bhi kaho  
Halke halke chilman
