

Sunne wale sun lete hai
Kan kan mein sangeet ho
Dhadkan tal hai sat hai sur
Jivan hai ek git

Purwah mein shan shan chhupi
Aur badal mein garaz
Papihe ga pancham hai sur
Aur kawee ka kharaz
Sunne wale sun lete hai
Kan kan mein sangit ho
Dhadkan tal hai sat hai sur
Jivan hai ek geet
Khudbudh, khudbudh, khudbudh
Khudbudh bol
Raha hai dar ka bartan
Khinch pada to bhadka

Khanke rasoi ke bartan
Khanke rasoi ke bartan
Bundabandi tap tip tap tip
Barkha pani chham chham
Bache bhage chhap chhap
Nali boli ghal ghal ghal
Nale bole bhal bhal bhal
Tap tip tap tip chham chham
Chhap chhap ghal ghal
Sunne wale sun lete hai
Kan kan mein sangit ho

Barkha hui to ghat ka phila
Aa gehara bhara samandar
Usme chhupke maindak bole

Tu tu tar tar, tu tu tar tar
Paid ke pichhe suraj dube
Sanjh mein dube rat
Bhor angne phute gulati
Paid ke pichhe suraj dube.
