

Suno brother,
Chalo ab to jaag jaao
Kuch bhi sun kar
Yunhi na maan jaao
Kya hai dekho, socho,
Samjho, parkho tum
Kuch bin soche
Samjhe na maano tum
Suno brother,
Chalo ab to jaag jaao
Kuch bhi sun kar
Yunhi na maan jaao
Kya hai dekho, socho,
Samjho, parkho tum
Kuch bin soche
Samjhe na maano tum

Nothing's impossible,
Is possible if you know how
Nothing's impossible,
Is possible if you know how
Nothing's impossible,
Is possible if you know how
Nothing's impossible

Tum ko ab laana hai roshni
Sau baaton ki bas yeh baat hai
Himmat hai dil mein
To kahaan hai koi bhi kami
Nothing's impossible,
Is possible if you know how
Nothing's impossible,
Is possible if you know how
Nothing's impossible,
Is possible if you know how
Nothing's impossible.
