

Suno, kaho, kaha, suna, kuchh huva kya
Abhi to nahi hmmm kuchh bhi nahi
Suno, kaho, kaha, suna, kuchh huva kya
Abhi to nahi hmmm kuchh bhi nahi

Are chali hawa, jhuki ghata, kuchh huva kya
Hmmm abhi to nahi kuchh bhi nahi

Teri kasam yeh dilkash nazare karte hain ishare jo samajhe koi
Mere sanam yeh khamosh aankhe bhi karti hain batein jo samjhe koi
Samjha nahi tum samjha do
Are suno, kaho, kaha, suna, kuchh huva kya
Abhi to nahi kuchh bhi nahi

Bas jo chale to subah se lekar rahu sham tak main tere sang mein
Gar ho sake to main apne dil par tera nam likh doon har ek rang mein

Baton mein na uljhaao
Suno, kaho, kaha, suna, kuchh huva kya
Ooo abhi to nahi hmmm kuchh bhi nahi

Achchha kabhi phir bat chhedenge marzi nahi hai tumhari abhi
Kuchh ho gaya to badi hogi mushkil ke chhoti umar hai hamari abhi
Main kya karoon batla do
Suno, han kaho, kaha, han suna, kuchh huva kya
Abhi to nahi kuchh bhi nahi
Are chali hawa, jhuki ghata, kuchh huva kya
Zara sa kuchh huwa to hai
Zara sa kuchh huwa to hai
Zara sa kuchh huwa to hai
Zara sa kuchh huwa to hai.
