

He suno re sadhu ye sansaram  
Ultam paltam ho gaya  
Kaha ki bhakti pooja patham  
Thokam thakam ho gaya  
Bam bam lahri bam bam  
Bam bam lahri bam bam  
Suno re sadhu ye sansaram  
Ultam paltam ho gaya  
Kaha ki bhakti pooja patham  
Thokam thakam ho gaya  
Bam bam lahri bam bam  
Bam bam lahri bam bam

Dekho re dekho dekho re  
Sadho kalyug ki nari ka namuna  
Apni hi santan to isne  
Kaske lagaya kaisa chuna  
Apni bahu ko bete se

Apne so gaj dur sulaya  
Parbhu karipa se phir  
Bhi isne chand sa pota paya  
Bam bam lahri bam bam  
Phir se bam bam lahri bam bam

Dhany hai ye to ye devi  
Bhi chidiya jaisi bholi bhali  
Rang birange pankh hai  
Iske choch magar hai kali kali  
Apni budhi saas ko isne  
Ghar se maar bhagaya  
Jab ye saas bani to isko  
Bahu ne maja chakhaya  
Bam bam lahri bam bam  
Phir se bam bam lahri bam bam

He suno re sadhu ye sansaram  
Ultam paltam ho gaya  
Kaha ki bhakti pooja patham  
Thokam thakam ho gaya
