

Sunrise Lyrics

Aa tu kareeb
Mere zaraa
Baahon mein aa
Mere sanam
Kiya tu mujhe
Yeh tu bataa de
Maanta tujhe
Tadfa mujhe
Pass mere aa
Thodi si wafaa de
Tu mujhe
Tu mujhe

Nede mere aa
Kar naa tu hmm hmm
Aur kuch chahiye na
Tere se mujhe
Mere saathiyan
Pass tu aaja
Thhaam le tu mujhe

lyrics

Cause I dont wanna be the one to leave you broken
You have my heart and I dont need nobody else with me
Cause you are the only one that feels just like the ocean
When you are no longer with me girl I find it hard to breathe
And I dont wanna be the one to hold the silence
When we are apart girl I just
Wanna feel you next to me
Dont wanna love you for
The moment til the sunrise
Sunrise

Aati hai mujhe
Bas teri yaadein
Apna mujhe
Takk le mujhe
Aas banjaa
Jeene ki wajah de

Tu mujhe
Tu mujhe

Huya kiya bata
Kyun hai tu gum sum
Tere sang yaar marna mujhe
O beliya
Paas tu aaja
Dekhle tu mujhe

Cause I dont wanna be the one to leave you broken
You have my heart and I dont need nobody else with me
Cause you are the only one that feels just like the ocean
When you are no longer with me girl I find it hard to breathe
And I dont wanna be the one to hold the silence
When we arre apart girl I just
Wanna feel you next to me
Dont wanna love you for
The moment til the sunrise

For a lifetime
