

Super Star Song Lyrics

Milk moon nene nanata
Naku nene pooti unta
Andamthoti padagottesta
Dhekoo ree

Shakeera ke shock isthanu
Jenufer lopez ne
Minchestanu duniya dunne
Stepp vestanu mazzaa ree

I'm a beauty prathi oklari thoti
Aata adi gelavadame na duty
Aa laa re aala monalisa naala
Chelaregi pothanu ee vala

I am the star super star
I am the universal star
I am the fire with desire
I am the lady missile

Anandam chalarege la
Haddula ne daateyyala
Mana life ki maname rangulu
Veeseyaalaa yeah yeah yeah yeah

Mana kalale nijamayye la
Oohalalo viharinchala
Andaritho okati ga cheri
Gadipeyya gadipeyaalaa aa ha haa

Na andham mechi mechi
Na pogaru ni padagottesesi
Nake deetu ga vacheyy
Vaadu evvadeee

I am the star super star
I am the universal star
I am the fire with desire
I am the lady missile
