---

Suriyan kudaiya neetti  
Sooravali nadiyak kaatti  
Veerame engum vidhaikka  
Ingu vandhaane  
Konjame naanga sirikka  
Pangu thandhaane

Aagasa migalak kootti  
Boologam mizhusum otti  
Ninnalaa innal thanikka  
Thayavu senjaane  
Thooralaa manna nanchcha  
Dharuma nenjaane

Oruyhthan vaal aavaan  
Matroruththan por seivaan  
Oruththan garjana  
Oruththan kallana  
Irattaip piralayame  
Aanai oruththan senai oruththan
