Swag of Arjun Lyrics

Time's up, venom in the play
Time's up, venom in the play
Yeah, time's up venom in the play
Ikkada hours laantidi no

Sooryude chimma cheekatlo,
Naa choopullo pravahinchaali
Sunaami taladinchaali
Enthati haani laantidi ayinaa daanni mulla teeragane

I made the machine
I made the flame

Hold your breath when i move so smooth
Like i own this floor

I'm born to rule
Ragile rakthamantaa
Rankelesi parigedutunna
High low low blow

When i step in you dip it low
Puttukathone undi swag naalo
Oohagandani vidhiraatha tala thannela
Nee chullu podige mukutame

Talapai thodigithe jagame
