

Swaha swaha na na na
This is not what you know retetics
Ye ye ye this is the sicosymmetric
Jaadu chala to ye love hai magic
Aur na chala to ye love hai tragic
Jaadu chala to ye love hai magic
Aur na chala to ye love hai tragic
Love is a fire, stop your desire
Nobody knows kya hai iska irada
Ye ishq kardega swaha,
Ye ishq kardega swaha
Ye ishq kardega swaha,
Ye ishq kardega swaha

I like it, i like it
Its right baby care it ha ha ha
Botal ye najre jala dengi
Mitti mein tumko miladengi
Zulfo se tufaa ayenge,
Dil ki jade sab hilayenge

Love is a fire, stop your desire
Nobody knows kya hai iska irada
Ye ishq kardega swaha,
Ye ishq kardega swaha
Ye ishq kardega swaha,
Ye ishq kardega swaha

Ashik hawa me jo udhte hai
Ek din jamee pe wo girte hai
Dunia me dil bhi jo khote hai
Kato ke saye me khote hai

Love is a fire, stop your desire
Nobody knows kya hai iska irada
Ye ishq kardega swaha,
Ye ishq kardega swaha
Ye ishq kardega swaha,
Ye ishq kardega swaha

Jaadu chala to ye love hai magic

Aur na chala to ye love hai tragic
Jaadu chala to ye love hai magic
Aur na chala to ye love hai tragic
Love is a fire, stop your desire
Nobody knows kya hai iska irada
Ye ishq kardega swaha,
Ye ishq kardega swaha
Ye ishq kardega swaha,

Ye ishq kardega swaha

Ye ishq kardega swaha,
Ye ishq kardega swaha
Ye ishq kardega swaha,
Ye ishq kardega swaha.
