Mere nede diyan kudiyan toh puchi kade gal ve  
200 percent jatti hoi tere vaal ve  
Mere nede diyan kudiyan toh puchi kade gal ve  
200 percent jatti hoi tere vaal ve

Taur utte main maar gyi  
Taur utte main maar gyi  
Nigha baari cho tere te kal maari

Oh taare hale do hi tutte  
Tenu mang leya channa main 100 vari  
Taare hale do hi tutte  
Tenu mang leya channa main 100 vari

Oh kehra ae pasand tenu das javi rang ve  
Suit vi sivauna te kharidni aa wang ve  
Mud mud naa jatta tera lai jaan ve  
Galan nal chumke feerozi kai jaan ve

Rog menu hoi la gya ae  
Rog menu hoi la gya ae  
Jitho dardi aa alarh kawari

Oh taare hale do hi tutte  
Tenu mang leya channa main 100 vari  
Taare hale do hi tutte  
Tenu mang leya channa main 100 vari

Supne ch aunn mere sehre phulkariyan  
Chard jaan poor channa tere nal yaariyan  
Tere utte hoje mera jama pura hakk ve  
Jaggo wali raat pathu vehra nach nach ve

Tu vi metho jaan vaar de

Tere maapeya nu lagg ja pyari

Oh taare hale do hi tutte

Tere piche lecture short fira kardi  
Dekh dekh tenu chuni loot fira kardi  
Pabba utte ho janda dil mutyaar da  
Samne khaloke jdo muchha nu sawarda

Meri vi tareef likh de
