---

Nami jahi ankhan ch utto gallan hon pyar diyan  
Kuch gaavan tere lyi te vajde taaran hon guitar diyan  
Mere vaalan utte hath ni tu fere hauli hauli jaave  
Seene te sulana utto mettho na mana hove

Taareyan di chha hove bahan vich baah  
Te main kara izhaar tere bullan cho vi haan hove  
Taareyan di chha hove bahan vich baah  
Te main kara izhaar tere bullan cho vi haan hove

Paani peevan tere hatho peevan naina cho sharab  
Mukki jaave saari raat gallan karde janab  
Mere saave hove tettho nazran hatava na main  
Vaaj vich teri dubbi jaavan behisab

Samay hove rukeya te sadde ton bagair jitthe  
Hove na koi teeja kude ehda di koi than hove

Taareyan di chha hove bahan vich baah  
Te main kara izhaar tere bullan cho vi haan hove  
Taareyan di chha hove bahan vich baah  
Te main kara izhaar tere bullan cho vi haan hove

Gallan mukne na hassi vaar vaar vi hasaava  
Dil naal dil da main ik rishta banava  
Pura hoye jive vekheya main supna koi  
Tere naal tere hon da jashan manava

Ni tu jaan wali gal na kari  
Ni tu jaan wali gal na kari  
Ajj main vi ghadi nahiyo takni  
Ajj main vi ghadi nahiyo takni  
Tu vi nigah ghadi vall na kari  
Ni tu jaan wali gal na kari

Taareyan di chha hove bahan vich baah  
Te main kara izhaar tere bullan cho vi haan hove  
Taareyan di chha hove bahan vich baah
