

Taaron ko mohabbat ambar se
Phoolon ko mohabbat shabnam se
Jaise dil ko mohabbat dilbar se
Taaron ko mohabbat ambar se
Phoolon ko mohabbat shabnam se
Jaise dil ko mohabbat dilbar se
Humein aise mohabbat hain tum se
Ab tum bhi kaho na kuch hum se

Sawan ko mohabbat badal se

Aankhon ko mohabbat kajal se
Peron ko mohabbat payal se
Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se

Koi nahi tha jiske liye hum
Jaan apni dete, duniya lutaate
Koi nahi tha nazron main apni
Jisko sanam, apna banate

Sapnon ko mohabbat aankhon se
Aankhon ko mohabbat raaton se
Raaton ko mohabbat yaadon se
Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se

Sab kuch tha lekin saajan nahi tha
Baadal hi dekhe saavan nahi tha
Hum se shikayat karta tha yeh dil
Surat mili thi darpan nahi tha

Haathon ko mohabbat kangan se
Nathni ko mohabbat dulhan se
Sanson ko mohabbat dhadkan se
Hai aisi mohabbat saajan se
Hai aisi mohabbat saajan se

Sawan ko mohabbat badal se
Aankhon ko mohabbat kajal se
Peron ko mohabbat payal se

Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se

Taaron ko mohabbat ambar se
Phoolon ko mohabbat shabnam se
Jaise dil ko mohabbat dilbar se
Taaron ko mohabbat ambar se
Phoolon ko mohabbat shabnam se
Jaise dil ko mohabbat dilbar se
Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se
Humein aise mohabbat hain tum se.
