

Tadap ae dil tadapne se
Zara aaram aata hai
Ki lab par har tadap ke sath
Unaka naam aata hai

Jise sun kar meri duniya
Khushi se jhoom uthati thi
Jise sun kar meri duniya
Khushi se jhoom uthati thi
Na wo aawaz aati hai na
Wo paigam aata hai

Tujhe main kya batau kis
Tarah tujh ko ye samajhau
Tujhe main kya batau kis
Tarah tujh ko ye samajhau
Tere aane se is dil ko
Bada aaram aata hai

Laga le zor ye duniya
Na badalegi wafa apni
Laga le zor ye duniya
Na badalegi wafa apni
Badal jaye wafa to
Ishq par ilzam aata hai
Tadap ae dil tadapne se
